**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The free market is one of the hallmarks of the American economy. By regulating the Telecom industry in this manner, you would stifle the free market and aid the biggest communication companies in their quest to monopolize the industry.

Companies like Sonic provide a vastly superior product to the larger companies and must not be rendered obsolete. In the interest of economic competition, please allow all telecommunications companies the right to operate and may the best, not biggest, companies win.
